

The wise man built his house upon the rock

The wise man built his house upon the rock
The wise man built his house upon the rock
The wise man built his house upon the rock
And the rain came tumbling down

*Oh, the rain came down
And the floods came up
The rain came down
And the floods came up
The rain came down
And the floods came up
And the house on the rock stood firm.*

The foolish man built his house upon the sand
The foolish man built his house upon the sand
The foolish man built his house upon the sand
And the rain came tumbling down

*Oh, the rain came down
And the floods came up
The rain came down
And the floods came up
The rain came down
And the floods came up
And the house on the sand fell flat.*

The foolish man got the chance to start again
The foolish man got the chance to start again
The foolish man got the chance to start again
And he built his house on the rock. *(Stop here!)*
